How can I give to St. Joseph's?

There are many ways to donate to St. Joseph's Healthcare System: cash contributions, property, remembrances in wills, and structured gift planning. Remember, too, that you can direct your financial contributions to a specific program within our hospitals - these donations are referred to as "restricted donations". You may also choose to make an "unrestricted donation" which will enable our Foundations to designate where your contribution will go in order to support the specific hospital's needs.

Gifts of time are also a way for individuals to give to St. Joseph's. By volunteering your time, you are providing a great service to your community and educating others about the concept of giving.

How can I give in honor or in memory of someone?

You can honor the remarkable people in your life by making a tribute donation to St. Joseph's. When you make an honor/memory donation we will send a card to the person you designate informing him or her of your thoughtful gift. The gift amount is kept confidential.

Can I support a specific area within St. Joseph's?

You may designate your donation to a specific area, entity, or initiative of St. Joseph's. This is known as a "restricted donation." With this type of donation, you designate how and where your money supports St. Joseph's.

May I make a donation online?

Yes, just click Donate Now.

Is my information kept private when I make a donation to St. Joseph's?

Yes, your information is kept private when you make a donation to St. Joseph's. We do not sell or share donor information with other organizations, and we take pride in protecting the privacy of our supporters. You may also designate your donation as "anonymous" to prevent listing in our annual report and/or other publications.
