

Subsidized Prescription Program Formulary – SJH Retail Pharmacy Wayne

Criteria:

- Discounted pricing available at SJH Wayne Retail Pharmacy location
- Patient must be without coverage through any other insurance provider, otherwise insurance will be billed instead
- Prescriber must be on 340b Charity Care program
- Patient must be seen at a 340b-eligible site within SJH
- Program provides medication at a significant discount compared to other retail pharmacies; if patient is unable to afford the discounted price, a 340b Indigent Medication request form must be filled out by the provider and must list all medications being requested with every order
- Medication will be filled for a maximum of 90 day supply, refills will be available as ordered and/or as allowed by law
- Controlled substance medications are not covered under program
- All items on formulary are subject to change based on manufacturer participation and product availability
